*\*\*Prices are subject to change. Please contact for current pricelist and specials.\*\**

To book, a \$1000 retainer and a signed agreement are needed to hold your date. You can decide later what collection works best for you, even a la carte coverage. The important part is knowing that your day is indeed yours; no double bookings. I limit the amount of events I shoot every year so every couple gets the personalized attention they deserve.

Let's make some magic.
